I am the Responsible Adult for

and I understand risks may be involved in entering the 35 mile Triathlon, an endurance event, and I take full responsibility for the entrant participating (signed)

We will keep your details so we can contact you in the future about activities and events on the Montgomery Canal and how you can support its restoration. Please indicate here if you do not want us to do so:

Montgomery Canal Triathlon

The triathlon follows the route of the Montgomery Canal. The cycling section is along cycleway-standard towpath. The walking section is generally flat but some lengths are unsuitable for wheelchairs. There are several stiles, tree roots and possible livestock en route.

There are five road crossings for cyclists and four for walkers - all controlled by marshals - please listen to their instructions. Canoes will have to be carried round four locks. Volunteers will be available to help.

First Aiders will be available throughout the event.

Light refreshments and toilets will be available at Crowther Hall, Llanymynech Wharf, Morton Farm and at the Weston Arm.

All entrants who complete a section will receive a commemorative medallion made from local slate.

This is a great day out for families with children as well as experienced triathletes. The organisers aim to ensure it is safe and enjoyable for everyone by separating 'Hares' from 'Tortoises' and allowing faster cyclists to set off first at the start.

The Triathlon is organised by the Friends of the Montgomery Canal and is supported by the Canal & River Trust in aid of the restoration of the Montgomery Canal. Our thanks go to Tesco Newtown for their sponsorship through the 'Bags of Help' scheme.

Donations or sponsorships are welcome. Sponsorship Forms are available via the Friends of the Montgomery Canal website (below) and Donation Forms via www.RestoreTheMontgomeryCanal.uk
